HEALTH TECH INNOVATION DAYS - PLATFORM FOR EUROPEAN LIFE SCIENCES STAKEHOLDERS

BRINGING INNOVATION TO PATIENT FASTER

PARIS, 16.11.2023, 11:22 Time

USPA NEWS - The HealthTech For Care Endowment Fund, launched by France Biotech is designed to support and promote Access to care for all and, more specifically, to New Medical Technologies and Drugs. The Initiatives and Events of the Fund with a European Dimension will bring together all the Actors involved in the Medical Innovation Value Chain allowing Better Coordination within the European Health Ecosystem. HealthTech For Care is administrated by a Board...

The HealthTech For Care Endowment Fund, launched by France Biotech is designed to support and promote Access to care for all and, more specifically, to New Medical Technologies and Drugs. The Initiatives and Events of the Fund with a European Dimension will bring together all the Actors involved in the Medical Innovation Value Chain allowing Better Coordination within the European Health Ecosystem. HealthTech For Care is administrated by a Board...

- Fostering the Growth and Development of the Entire Health Ecosystem
* Contributing to a Better Coordination and understanding of the Practices of Health Professionals in the Interest of Patients and Medical Research
* Supporting Actions relating to the Creation of a Local, National and International Ecosystem of Organized Care Pathways.

- Advocating for the Advancement of Innovative Therapies and Treatments to benefit Patients
* Supporting Programs and Actions that promote Innovation and Medical Progress.
* Stimulating the Funding of Dedicated Research Programs
* Stimulating the Financing of the Development of and access to Innovative Therapies and Treatments.

- Promoting enhanced Access to Care for Patients within the European Healthcare Ecosystem
* Promoting the Exchange and Dissemination of Information on Innovative Therapies, Treatments and Therapeutic Approaches.
* Supporting Patients' Associations, by organizing Meetings dedicated to improving the State of Related Research between the Various Players in the Health.

The Governance of HealthTech For Care, led by President Maryvonne Hiance, brings together Independent Experts from across the Healthcare Innovation Value Chain for Patients.
